

***The Humanitarian Engineer* a documentary and discussion:
Wednesday 18th March, 12:15pm, Riddet Presentation Lab C2.143**

The Humanitarian Engineer - We know it when we see it, but what exactly is humanitarian engineering?

Come on a journey to explore what it means to be a humanitarian engineer.

Featuring interviews and personal stories, *The Humanitarian Engineer* is a celebration of engineering, its diversity and its power to enrich the human condition

All Welcome
